## Year 2 Remote Home Learning

Dear Parents/Carers,

Whilst the school is closed, we will be providing your child with access to remote learning opportunities. The details of what will be provided are below:

An email will be sent each day and will contain:

- A phonics video
- An English activity with teacher explanation
- A Maths activity with teacher explanation
- A foundation subject activity (geography/science etc).
- There will also be some activities set on Purple Mash. Login details will be re-sent as most of the children handed their reading records in on Friday.

There are also links to the Oak Academy and other home learning activities on the Year 2 class page on the school website should you wish to do anything further with your child.
