

HISTORY

Watch the video clips from the weekly plan. These will be under the history tab on the school website. Then choose the reasons below why the fire spread so quickly between the houses. There are 6 sentences which are reasons and 3 sentences which are not.

The houses were wooden and wood burns easily.	People buried wine and cheese.	There was no fire brigade.
It had been a hot summer and everything was dry.	The houses were close together.	The wind blew the flames towards the most crowded part of London.
There were animals in the street.	There were no water taps inside the houses so people had to walk to a pump.	King Charles II came to help.
