To Kristina and Brayden  
and all of the children at ST. James Primary,  
thank you so much for the Hearts  
you made for us, we put them on  
all 5 of our trees, we were all  
smiling admiring them.  
We are safe and well, missing our  
family + friends, we talk on phone  
+ facetime but its not the same as  
having a hug.

We hope spring will be fantastic  
we have planted Daffodil Bulbs.  
Stay safe and we will too!
